

Frozen Semen Contract

Please see contract below for HP Fresco.

I..... ("Mare Owner") hereby confirm the application for a service booking to HP Fresco upon the following terms and conditions.
This contract is made by and between HPH Equine ("Stud Farm") and the Mare Owner being the person responsible for the Mare – whether owned or leased.

The sum of \$1200 plus GST entitles the mare owner to one dose of HP Fresco frozen semen (8 straws per dose) with no live foal guarantee. Of these 8 straws only one foal may be conceived and the rest of the semen must be returned to HPH Equine.
All veterinary fees incurred in the process of inseminating the mare with frozen semen will be at the cost of the mare owner.
Semen release fees, tank hire and transportation costs will be at the cost of the mare owner.
